Dear General Walters:

On behalf of the Dallas Council on World Affairs and the Dallas Chamber of Commerce, please accept our deep appreciation for your outstanding presentation to us on Tuesday, September 16, 1975. As indicated by the standing ovation, which was given to you spontaneously, the audience greatly appreciated your remarks. Comments after your talk were also highly favorable.

We appreciate your taking time from your busy schedule to come to Dallas and present this clear and factual picture on "The CIA and World Affairs". You may be assured that you will always receive a warm welcome in Dallas. We hope that your next trip will permit you time to visit points of interest, such as our Market Center Complex which is the best of its kind in the world.

Sincerely,

W. E. Cooper
President
